Come Hear Why Builders Should Partner With **ENERGY STAR**

Infrared Diagnostic LLC is an ENERGY STAR Rater qualified to provide builders with the ENERGY STAR Rating on new construction. In this competitive housing market, an Energy Star rated home is an added incentive to home buyers.

By building homes that earn the ENERGY STAR Rating, your company can join more than 5000 builders that have benefited from, enhanced home buyer satisfaction, reduced liability, increased profit and gained recognition as well as building homes that are at least 15% more energy efficient than standard homes.

Come learn how Infrared Diagnostic LLC's ENERGY STAR Rater Service can help builders become an Energy Star Partner. The presentation will address the benefits and incentives builders receive.

Infrared Diagnostic LLC also provides energy audits on existing homes and other infrared building diagnostic services.
